

TAHOE DONNER CHARITABLE FUND

The Tahoe Donner Charitable Fund was created through the collective goodwill of Tahoe Donner property owners, to provide both short and long-term support for local nonprofit organizations. Tahoe Donner property owners put their gifts together with other full and part time residents to maximize their giving to enhance the North Tahoe region now and forever.

The Tahoe Donner Charitable Fund also established the Employee Scholarship Fund which provides financial assistance to Tahoe Donner Association employees to further their education at accredited colleges/universities, community colleges, or vocational programs.

IT'S EASY TO GIVE!

You can make one donation to the Tahoe Donner Charitable Fund and know that you are benefitting nearly every organization in North Tahoe while touching the lives of every full and part time resident or visitor to the region.
