An aerial photograph of the Truckee Tahoe Airport and the surrounding landscape. The airport's runways and taxiways are visible in the middle ground, surrounded by dense evergreen forests. In the background, snow-capped mountains rise against a clear blue sky. The foreground shows more forested hillsides.

ABOUT TTAD'S AGENCY PARTNERSHIP PROGRAM

- In 2011 TTAD began a program of Community Sponsorships, which included a \$25,000 budget in support of local qualifying organizations, thru District provided services, and/or cash sponsorship funding amounts of up to \$500 per year
- The initial TTAD Board concept for an expanded program (promoting beneficial and larger community Agency Partnership collaborations between TTAD and other local public agencies and nonprofits) came about after the District successfully partnered with the Truckee Fire Protection District in 2014-2015 purchasing a \$500,000 Aircraft Rescue & Fire Fighting (ARFF) truck
- TTAD also partnered with the Truckee Donner Recreation and Parks District in 2015-2016 with a \$945,000 partnership funding of the community Aquatic Center
- For 2021 TTAD's approved budget includes \$1,000,000 to be split between their Agency Partnership, Transportation, and Housing Programs, with the board having the ability to allocate funds between them as they see fit
