# TAHOE TRUCKEE COMMUNITY FOUNDATION

#### 2022 Community Grants Cycle

#### Our Mission...

Tahoe Truckee Community Foundation connects people and opportunities, generating resources to build a more caring, creative, and effective community.

#### Ethical Leadership...

TTCF recognizes our unique role in the community as a grantmaker with different stakeholders engaged in the deployment of community resources. We adhere to a Code of Ethics across operations, program and governance structures of TTCF. <u>Code of Ethics</u>.

#### Our Process...

TTCF utilizes a simplified and streamlined granting process. Nonprofits need only apply once to a consolidated grant cycle offering at least \$300,000 in available grant funds. Grant committee members from Open Competitive, Nature Fund, Queen of Hearts Women's Fund, and Tahoe Donner Giving Fund will then jointly review proposals and direct them to aligned funding sources for further consideration.

#### Diversity, Equity, and Inclusion...

We are here to serve our entire community and to co-create a place of home. We are in passionate pursuit of a just Tahoe Truckee community, where people of all races, ethnicities, genders, sexual orientations, abilities, and identities have an equal opportunity to thrive. We will intentionally infuse equity into all aspects of our governance, operations and programming, and equitably distribute and redistribute resources in our community. #### Further Requirements for Nature Grants...

Nature grants are made possible by TTCF's Nature Fund and Martis Fund. Nature Grants will support organizations that conserve wildlife, land, water, and air quality in the Truckee, North Tahoe and Donner Summit regions while enhancing opportunities for enjoyment of the outdoors. Martis Fund resources will be distributed to those organizations that are committed to managing and restoring habitat and forest lands *specifically* in Martis Valley or the greater Eastern Placer County region. Organizations are also encouraged to share their capacity building needs and will be considered for Martis Fund resources for such needs if they have prior, ongoing or upcoming projects in this region. By investing in the business aspects of missions, we believe we can strengthen those efforts and ultimately support a greater impact in the region.
